

MONTANA RURAL WATER SYSTEMS, INC.
Announces Support for the...

National Drinking Water Week!

May 6th - 12th, 2018

“Protect the Source”... this year’s theme!

Take the Time now to tell Your Utilities Story about the
“SAFE, CLEAN, QUALITY WATER” you provide Daily!

“Focus on the Positive and here are a few Ideas to Try!”

Promote “Water Conservation” & overall be Proactive in your message... for
Positive Public Relations!

Get involved in and Sponsor a Community Event!

Hold a Dedication Ceremony for a “new” or “improved” treatment facility.

Point out how your Utility Contributes to your Community!

Earn the trust of your Community through Water Education in your schools!

Host an “Open House” or setup tours of your Water Treatment Facilities with
the area schools!

Use the NRWA... “Quality on Tap” LOGO!

Information brought to you by Your Friends at...
