

Hello, my name is Jim Magone from Deer Lodge Mt. I would like to submit my name for reelection to the board of directors for MT. Rural Water. I have worked with Mt Rural Water for the last 20 years in one way or another. I have been on the board for 3 terms and feel I bring experience to the board, I represent region 7. I was elected to National Rural Water board of directors in 2016 as your national director. I have all the time it would take to help Mt Rural Water in any way I could an enjoy working with people.

Thank you for your consideration.
