

Dear Membership and Delegates,

It has been a privilege to serve you these past three years on the Montana Rural Water System's (MRWS) Board of Directors. MRWS has a great group of professionals working for us. I would like to continue serving with them for a second term.

I've been the Public Works Director for the Town of Cascade for 30 years. In 2003, I was awarded Water Operator of the Year. In 2016, I was awarded the Bob Worthington Risk Management Achievement Award by MMIA.

The Town of Cascade has been a member of MRWS for my entire employment. We have been proactive in getting grants and loans to upgrade our water and wastewater systems. In doing so, we received the award for Outstanding Operation, Maintenance, and Administration of a Wastewater Treatment System in 2006 and Outstanding System of the Year Award in 2016.

I would appreciate your support as I run for a second term on the MRWS Board of Directors.

Sincerely,

Joe Voss
