JASON ELLETSON

Dear delegates and MRWS members,

I would like your support for election to Montana Rural Water System (MRWS) board of directors.

I have over 40 years of experience in the water and wastewater industry, all of it with the City of Sidney. In this time the City has gone through two oil boom and bust cycles, continuous expansion and up-grading of our water systems, replacement of the wastewater treatment system, and kept our rates very reasonable. I feel the knowledge gained on the job, from years of MRWS membership, and as MRWS board member for one term in the past would serve you well on the MRWS board of directors.

I am looking forward to your support at the upcoming Delegate Assembly Meeting at the 41st Annual MRWS Conference.

Sincerely,

A handwritten signature in cursive script that reads "Greg Anderson".
