Julie Spencer

No - I do not plan to run again

I am Julie Spencer, a MRWS member from Region 9.

I am a Montana native, born and raised in the Flathead Valley. I attended Montana State University and majored in Chemical Engineering. I did not finish due to starting a family after getting married.

After my children were in school, I attended Flathead Valley Community College. I received Associates of Science and Associates of Arts degrees, as well as an Applied Associates of Science in Business Management with Accounting Emphasis.

I have worked in the water & wastewater industry since the late 1990s. I have been employed at Bigfork Water and Sewer District since 1998. I have been the General Manager since July 2003.

I was appointed to fill the Board position vacated by Dan Kiel in late 2015. I was elected to the Board at the MRWS conference in February 2016. I was made the Treasurer at that time.

I would like to run for another term on the MRWS Board.
