

Associate Members

It is time to register for the **2022** Montana Rural Water Systems Annual Conference scheduled for March 23-25, 2022, held in Great Falls, MT, at the Heritage Inn Convention Center. It is my pleasure to serve as the Vendor Chair for the Montana Rural Water Systems Conference. My name is Greg Peterson, and I am the President of Chemical Montana Company in Helena, MT. Please feel free to call me (406-442-8900) with any questions or concerns you may have. I welcome your suggestions to improve our exposure and overall success of the conference for vendors and participants. **Please make every effort to register for a booth space early.** Vendor space is limited in the convention center and the facility fills up very quickly! A list of attendees will be available prior to the conference.

Your booth fee includes \$40 that will be used for prizes that are given away to conference attendees who visit your booth and complete the vendor prize form.

Booth and participant registration fees can be paid by check or with credit card. Attendees will not be registered for the conference just by paying for a booth space. Please visit the Montana Rural Water website <http://www.mrws.org/> for any forms you might need. Please direct any correspondence to the MRWS office at the address below.

Booth size: 8' wide x 6 long'

Set up time: 3 - 6 pm Tuesday March 22nd; 7 – 11 am Wednesday March 23rd

Exhibits must be set up by Wednesday, March 23rd at 11 am
