

January 11, 2022

Dear MRWS Members,

I am excited to announce my intent to re-run for a third term on the MRWS Board.

During the last six years, I have been involved in many projects while on the MRWS Board; I feel I have educated myself to continue in this endeavor.

Over the past 27 years, I have worked for the City of Townsend as their Public Works Director. I learned how important and valuable MRWS is. I inherited a system with delinquent reports and many violations; the assistance I received from MRWS helped to set the City of Townsend back in compliance. It was then, I realized how vital MRWS is to our water and wastewater systems throughout the state. During this time, I have dedicated a portion of my time to the MRWS team. I would like to continue to be a part of the board and continue with the guidance and direction that MRWS has provided.

Sincerely,

Timothy Rauser
