

Rural Water

2022 INFRASTRUCTURE FUNDING WORKSHOP

****FREE****

WHO

Counties, municipalities, water and sewer districts, infrastructure engineers, grant writers, and planners

PURPOSE

Provide information to help plan for and fund water and sewer projects in Montana

LEARN ABOUT

- How to fund your project
- Where to get technical assistance
- Lessons learned from a Montana project
- State government infrastructure initiatives

Technical and funding agencies will be available for individual consultation following the workshop
