RE: Reelection to MRWS Board

Dear MRWS:

My name is Vincent Chappell, I am the manager of the Seeley Lake Water District. I am running for re-election for the MRWS board. I have been an active member of the MRWS board for quite some time. I enjoy the position as it is our job to help small communities with issues that they face.

I was the manager at the Chinook Water Treatment Plant for 6 years from 1994-2000. I moved to Seeley Lake and took the manager's position in September 2000 to current. This year will be 30 years of working in the water treatment field. I enjoy my job and enjoy working with the public in small communities.

Please consider re-electing me to the MRWS Board for another term. Thank you for supporting us in the work that we do.

Sincerely,

Vincent Chappell
