

Operator Exam Certification Review Session – Phillipsburg @ City Hall
January 25 and February 8 @ 8:00 am – 5:00 pm

Water & WW Operator Certification Review

Thursday January 25th, 2024, 8:00am—5:00pm

AND

February 8th, 2024, 8:00am—5:00pm

104 S Sansome St City Hall, Phillipsburg, MT

- Comprehensive look at the “Needs to Know” list for your classification.
- Intro to math equations for dosage, detention time, pressure, flow, etc.
- Intro to all pertinent terminology relating to groundwater systems & lagoons.
- Discuss chemical properties related to groundwater.
- Discuss pump characteristics and hydraulics.
- Intro to disinfection properties and methods.

We’re trying something new on this one. Two-Day Review, but a couple weeks between time!

BRING ALL STUDY MATERIALS!!!

Whether you’ve applied to take an exam or are planning to apply, this review will get you on the right track for the comprehensive review in March at the MRWS Conference!!

Review presenters are MRWS Staff

No CEC’s for this session!
