

John Camden

My name is Jim Truelove and I am the Director of Public Works for the City of Malta. I am also a water, and sewer operator holding a 3A 4B 3C license for almost ten years. I was a recipient of the Management Achievement award in 2020.

I learned the craft under the tutelage of John Demarais who taught me well. I feel I could and would be a valuable addition to the m.r.w.s. team and would appreciate your consideration.

Sincerely
Jim Truelove
