**Photo by: Bobbie Shular, MRWS– Maria's Pass**

# 2026 Montana Rural Water Systems Training Calendar

The 2026 Montana Rural Water Systems Training Calendar has been compiled and published by Montana Rural Water Systems, Inc. It is provided as a tool for planning your environmental training activities. The calendar lists and describes seminars and workshops to be sponsored by the Montana Department of Environmental Quality (MTDEQ), Montana Rural Water Systems, Inc. (MRWS), Montana Section of American Water Works Association (MSAWWA), Montana Water Environment Association (MWEA), and the Montana Water/Wastewater Operator Initiative. **Information about each sponsor is located in the back of the calendar.**

*The calendar includes only seminars and workshops planned as of printing time.* Any additional seminars and workshops will be announced separately. Agendas from the sponsoring agency are posted on the agency's website or will be sent to interested people and organizations prior to the scheduled seminar. If you have not received an agenda at least one week prior to the scheduled date, please call the sponsor directly for information. As hard as we try to avoid it, unforeseen circumstances may cause a change of date on the calendar. **Please note that Continuing Education Credits (CECs) and seminar costs are approximate.**

The 2026 Training Calendar also includes information on **online training courses, webcasts, webinars.** Should you have questions or would like further information on specific courses please contact the corresponding training provider or the Montana DEQ Operator Certification Office at 406-444-4584.

## The Mission of Montana Rural Water Systems shall be:

"To provide quality services for member systems to enable them to produce the best product with their available resources."

Montana Rural Water Systems, Inc. (MRWS) is a nonprofit association of towns, cities, rural water & sewer districts, water users associations, home owners associations, trailer parks, and private systems. In addition, MRWS welcomes Associate Memberships from engineers, suppliers, financial institutions, contractors, attorneys, accountants, and other organizations interested in water & wastewater.

<b>MRWS</b> Montana Rural Water Systems, Inc. 406-454-1151 mrws.org	<b>MTDEQ</b> Montana Department of Environmental Quality 406-444-4584	<b>MAP</b> Midwest Assistance Program 406-290-3325 map-inc.org	<b>MWEA</b> Montana Water Environment Association 406-546-5496	<b>MSAWWA</b> Montana Section American Water Works Association 406-546-5496	<b>MW2OI</b> Montana Water and Wastewater Operators Initiative 406-994-7402
---	---	--	--	---	---

**MRWS would like to thank the following organizations for helping provide the training calendar to Montana's water and wastewater operators and other environmental professionals:**

Big Sky Chapter American Backflow Prevention Association  
Midwest Assistance Program  
Montana Department of Environmental Quality  
Montana Rural Water Systems, Inc  
Montana Section of the American Water Works Association  
Montana Water and Wastewater Operators Initiative  
Montana Water Environment Association  
Technical Learning College

**We are not always able to finalize training sessions in time for this calendar. So, please call our office or check our website for the most current information on upcoming training. Check out our webpage: [www.mrws.org](http://www.mrws.org)**

# Continuing Education Credits (CEC's) Basic Rules

## **CERTIFICATION RENEWAL FEES**

Every year operator certification renewal fees are due by June 30. The renewal fee pays for the following fiscal year (July 1- June 30).

## **CONTINUING EDUCATION CREDITS (CECs)**

Every even-numbered year appropriate CEC requirements must be met by May 31. *The current two-year biennium began on June 1, 2024 and will end on May 31, 2026*

## **OPERATORS CERTIFIED BEFORE JANUARY 2024 ARE REQUIRED TO EARN THE FOLLOWING CECs:**

Class 1 **WATER** operators (either or both **water distribution or treatment**) must earn 2.0 CECs (20 hours).  
Class 2, 3, or 4 **WATER** operators (either or both **water distribution or treatment**) must earn 1.0 CECs (10 hours).  
Class 5 **WATER** operators must earn 0.4 CECs (4 hours).  
Class 1 **WASTEWATER** operators (either or both **municipal or industrial wastewater**) must earn 2.0 CECs (20 hours).  
Class 2, 3, or 4 **WASTEWATER** operators must earn 1.0 CECs (10 hours).  
Class 2, 3 or 4 **ON-SITE WASTEWATER** must earn 1.0 CECs (10 hours).  
Class 2, 3 or 4 **INDUSTRIAL WASTEWATER** must earn 1.0 CECs (10 hours).

## **OPERATORS-IN-TRAINING (OITs) ARE REQUIRED TO EARN THE FOLLOWING CECs:**

Class 1 **WATER OITs** (either or both **water distribution or treatment**) must earn 1.0 CECs (10 hours).  
Class 2, 3, or 4 **WATER OITs** (either or both **water distribution or treatment**) must earn 0.5 CECs (5 hours).  
Class 5AB is no longer offered as a *new* certification.  
Class 1 **WASTEWATER OITs** (combined class 1 & 2 **municipal**) must earn 1.0 CECs (10 hours).  
Class 3 **WASTEWATER OITs** (combined class 3 & 4 **municipal**) must earn 0.5 CECs (5 hours).  
Class 1 **INDUSTRIAL WASTEWATER OITs** must earn 1.0 CECs (10 hours).  
Class 2, 3 or 4 **INDUSTRIAL WASTEWATER OITs** must earn 0.5 CECs (5 hours).  
Class 2, 3 or 4 **ON-SITE WASTEWATER OITs** must earn 0.5 CECs (5 hours).

## **COURSE APPROVAL and REPORTING**

Before CECs can be earned for a course, the course must be approved for credit. Courses not listed in this calendar may be approved for CECs if deemed applicable by the Certification Office. Courses **MUST BE** reported on an **INDIVIDUAL APPLICATION FORM** which contains the signature of the course provider or a Certificate of Completion submitted with the form.

## **CORRESPONDENCE COURSES & ALTERNATIVE TRAINING COURSES**

Correspondence courses and alternative training courses (CD-ROM, internet, videos) must be fully completed and proof of completion from the course provider must be sent to the Certification Office for CECs. (See Lists of Approved Correspondence Courses and Alternative Training Courses in the back of this calendar.)

## **COURSES APPROVED for DUAL CECs**

Operators who hold certification in both water and wastewater can earn CECs for both certifications when attending a course MTDEQ has approved as a dual CEC course.

## **COURSES ONLY APPROVED for ONE-HALF CECs**

Training not directly applicable to water or wastewater plant operation can be approved for training but may only earn one-half the amount of CECs.

## **TRAINING NOT LISTED in TRAINING CALENDAR**

There may be courses that apply towards your CEC requirements which are **not listed in the Training Calendar**. If you are looking for courses in your area, email the Certification Program Office, [operatorcertification@mt.gov](mailto:operatorcertification@mt.gov), for information on approved courses.

## **CEC STATUS REPORTS**

An informational status report can be viewed online at <http://svc.mt.gov/deq/operatorcectotal/>. Please contact the Certification Program Office, [operatorcertification@mt.gov](mailto:operatorcertification@mt.gov), if you find any errors on this report.

Billings  
406.655.9555

**January 5-10, 2026**      **Location: Helena**  
***Backflow Prevention Assembly Tester***  
***Course & Exam***

The 6-day course is comprised of lectures on backflow and cross-connection control and guided exercises in a wet lab to provide an understanding of the field testing methods for four types of backflow prevention assemblies. It is designed for **first-time testers and those needing a refresher course**. ABPA administers written exams on the afternoon of the fifth day and practical exams on day six. [Check www.mrws.org](http://www.mrws.org) for more information.  
**CECs: up to 3.6 Dual**

**January 13-14, 2026**  
***Small System and Colony Training***

**Location: Holiday Inn, Great Falls**

This workshop consists of a variety of topics relevant to small system water & wastewater operators. Specific topics for this session were not determined at the printing of this calendar, but an agenda will be posted on the MRWS website at least 2 weeks prior to training. [Check it out at www.mrws.org](http://www.mrws.org).

**CECs: 0.70 TBA**

**FEE: \$70/day Members**

**\$105/day Non-Members**

**January 15-16, 2026**  
***Operator Certification Exam Review***

**Location: Holiday Inn, Great Falls**

This review will help prepare operators for all levels of certification exams, but primarily focuses on *groundwater and wastewater* systems. **Operators need to study before attending** this full day review. MRWS will cover as many areas as time allows, including terms, safety, math, treatment, distribution, wastewater, etc.

[Check the MRWS website for updates and to register www.mrws.org](http://www.mrws.org)

**CECs: None**

**FEE: None**

## Environment Association

# MONTANA WATER ENVIRONMENT ASSOCIATION

<http://www.montanawater.org>

The Montana Water Environment Association (MWEA) aims to build partnerships and provide education for the water environment community to support Montana's commitment to protect public health and water resources. A non-profit organization, the Association was organized in 1944 and soon thereafter affiliated with the Federation of Sewage Works Association, now known as the Water Environment Federation (WEF) [www.wef.org](http://www.wef.org). MWEA's vision is to achieve the nation's highest water quality with help from all of Montana's water environment community. Present membership in MWEA is approximately 130.

The Water Environment Federation (WEF) is a nonprofit professional, education, and technical organization devoted to providing leadership, knowledge and guidance in the management of our nation's water resources. Founded in 1928, the Federation has more than 30,000 members in 75 member associations. Water Environment Federation members include engineers, scientists, wastewater operators and managers, and others working in state and local government, federal agencies, industry, academia, and private practice.

WEF and its global network of members and member associations provide water quality professionals around the world with the latest in water quality education, training, and business opportunities. WEF is operating under a Strategic Plan built on the vision of a life free of water challenges. WEF's ultimate goal is a world where each person has access to clean water and sanitation, where communities prosper, and where nature thrives.

**OPERATOR SCHOLARSHIPS:** MWEA has allocated funds for certified operators looking for assistance in paying for continuing education and/or training event costs. Applicants must complete a scholarship application one month ahead of the training session they plan to attend. Awards up to \$500 can be realized by each applicant. When approved in advance, the award money can be used to pay for travel, lodging, registration fees, and other eligible costs associated with attending. Applicants must be a Montana certified operator or operator-in-training. Applications are available online at <http://www.montanawater.org/awards-scholarships/scholarships-available/>.

## BOARD of DIRECTORS

<b>WEF Delegate</b> Scott Buecker (406) 570-5184	<b>Past President</b> Bruce Souder (406) 850-1046	<b>President</b> Rickey Schultz (406) 532-2238	<b>President Elect</b> Matt Waite (406) 247-4455	<b>Vice President</b> Rodney Lance (406) 217-1792	<b>Sr. Trustee</b> Adam Marsh (406) 7552-6679	<b>Jr. Trustee</b> Camaree Uljua 406-388-3578	<b>Secretary/Treasurer</b> Rika Lashley (406) 431-7049	<b>Executive Director</b> Robin Barnes (406) 546-5496
--	---	--	--	---	---	---	--	---

## MWEA MEMBERSHIP & COMMITTEES

If you would like to become a member of MWEA and WEF please contact anyone of the Board of Directors at the numbers listed above.

If you are a member please consider becoming active in MWEA by joining one or more of the committees listed below. To get a description of each committee contact the Secretary/Treasurer. To join a committee contact the Secretary/Treasurer at the number listed above.

### MWEA Committees:

Grants for Teachers	Beneficial Reuse
Membership	Education
Pretreatment	Government Affairs
Stockholm Junior Water Prize	Honors & Awards
Stormwater	Long Range Planning

### Joint MSAWWA/MWEA Committees:

Cross Connection Control	Lifetime Achievement/Todd
Exhibitors	Teagarden Awards
Host City	Public Outreach
Program Committee	Scholarship
Information Management	Student & Young Professional

## WEF WEBCASTS, CONFERENCES & SEMINARS

Each year WEF hosts a series of webcasts, conferences and seminars on various water and wastewater related topics ranging from wastewater plant operations to water conservation. All WEF webcasts, conferences and seminars listed by WEF at the time of calendar printing and their dates and times are listed on the calendar pages.

For information on each webcast, conference or seminar and fees contact MWEA at (406) 546-5496 or go to the WEF website [www.wef.org](http://www.wef.org). For information on CEC availability contact MTDEQ at (406) 444-4584.

submit your abstract  
today.

We're looking for dynamic presentations that  
educate, inspire, and provide real-world  
value to system operators, managers, and  
community leaders.

Topics may include but not limited to:

- 💧 Water and wastewater operations
- ⚙️ System maintenance and technology
- 🌱 Source water protection
- 💡 Utility management and leadership
- 🌍 Sustainability and innovation
- 💧 Or any other water/wastewater topic of interest.

Whether you're a seasoned professional or a  
first-time presenter, we invite you to submit  
your abstract and be part of this exciting  
event!

**MONTANA RURAL WATER**  
APPRENTICESHIP PROGRAM

**Earn While  
You Learn!  
Become a  
Water  
Professional!**

*Scan me!*

- Earn while you learn  
get paid on-the-job  
training  
Essential, stable career  
serving Montana's water  
needs

- Mentorship from  
experienced water  
and wastewater  
professionals
- Hands-on learning  
at local water and  
wastewater utilities

18 years or older  
High School Diploma or  
GED  
Ability to perform physical  
labor  
Pass a background check and  
drug screening  
Valid drivers license

Build a rewarding career in  
water and wastewater  
operations. Our registered  
apprenticeship program  
provides hands-on training,  
mentorship, and classroom  
instruction to help you gain the  
skills and certification needed  
for a stable, high-demand  
career serving Montana's  
communities.

American Water Works Association

# MONTANA SECTION OF THE AMERICAN WATERWORKS ASSOCIATION

<http://www.montanawater.org>

## The Montana Section of AWWA

(MSAWWA) is one of 43 sections of the American Water Works Association. MSAWWA is part of the largest organization of its kind in the world. As the foremost water organization in the world, AWWA ([www.awwa.org](http://www.awwa.org)) leads the industry in meeting the needs and requirements of a water consuming public.

The Montana Section is composed of over 250 members from utilities, engineering/consulting firms, state and local health agencies, and educational institutions in Montana. The Section has been active since it was first formed in the 1926. Paramount to its function, the Montana Section of AWWA provides educational opportunities to the water industry at the local level. The Section also supports an active small systems initiative, watchdog on legislation, and a strong public education program.

The Montana Section of AWWA is a nonprofit organization that relies on member activity for success. You too can be part of this organization and enhance Montana's awareness of potable water issues. The current Board of Directors for the Montana Section of AWWA are listed below and may be contacted for more information.

**OPERATOR SCHOLARSHIPS:** The creation of the One AWWA Operator Scholarship addresses the present and future workforce need for operators by providing training and educational funding. It also creates an opportunity for collaboration between the Association and Sections within The Water Equation Campaign. AWWA's The Water Equation Campaign and the Montana Section AWWA will award (2) **One AWWA Operator Scholarships** in the amount of \$500 each for water operator training and education. The scholarship award can be used for certification/licensure, two-year water related associate degree, technical school program, professional training program, books and manuals and operator related conferences. More information available at <http://www.montanawater.org/awards-scholarships/scholarships-available/>. Each scholarship recipient will also receive a one-year AWWA Operator membership.

## BOARD of DIRECTORS

**National Director** - Carrie Gardner (406) 268-6176

**Past Chair** – Matt Mudd (406) 495-6169

**Junior Trustee** Kevin Christofanelli 406-655-4051

**National Director Elect**—Nate Weisenburger 406-217-3711 **Chair** – Jarret Morgan (406) 624-8753

**Chair Elect** -Andy Schultz (406) 552-6758

**Sec./Treas.** - David Carlson (406) 268-0626

**Senior Trustee** – Ben Rigby (406) 202-5179

**Exec. Sec.** - Robin Barnes (406) 546-5496

## MSAWWA MEMBERSHIP & COMMITTEES

If you would like to become a member of MSAWWA and AWWA please contact anyone of the Board of Directors or the Executive Secretary at the numbers listed above.

If you are a member please consider becoming active in the Montana section by joining one or more of the committees listed below. To get a description of each committee contact the Executive Secretary. To join a committee contact the Executive Secretary at the number listed above.

### MSAWWA Committees:

Awards  
Education  
Legislative  
Membership  
Water for People

### Joint MSAWWA/MWEA Committees:

Cross Connection Control  
Exhibitors  
Host City  
Information Management  
Lifetime Achievement  
Program  
Public Outreach  
Scholarship  
Student & Young Professional

## AWWA WEBINARS, CONFERENCES & SEMINARS

Each year AWWA hosts a series of webinars, conferences and seminars on various water related topics ranging from water plant operations to water conservation. All AWWA webcasts, conferences and seminars listed by AWWA at the time of calendar printing and their dates and times are listed on the calendar pages.

For information on each webcast, conference or seminar and fees contact MSAWWA at (406) 546-5496 or go to the AWWA website [www.awwa.org](http://www.awwa.org). For information on CEC availability contact MTDEQ at (406) 444-4584.

# RURAL WATER STRONG

The following correspondence and online courses have been approved by the Operator Certification Program for CEC's.

## APPROVED TRAINING PROVIDERS

An Approved Training Provider is an organization whose primary focus is to train and provide continuing education opportunities to water and wastewater operators. The organization cannot have a vested interest in selling or marketing any product or service related to water or wastewater other than training. This organization has met the approval of the Department of Environmental Quality Water and Wastewater Operator Certification Program, with guidance from the Continuing Education Credit Review Committee, and the Montana Water and Wastewater Operator Advisory Council. For anyone who wants to be an Approved Training Provider (ATP) they must turn an application in to the MTDEQ Operator Certification Office. ATP status is good for two years. At the end of the two years the ATP must re-apply. The current two-year period began on June 1, 2024 and will end on May 31, 2026.

### 2024 - 2026 Approved Training Providers

- 360 Water
- Back Municipal Consulting (BMC)
- MRWS
- California State University (CSU)
- J Reif Consulting, LLC
- MAP (Midwest Assistance Program)
- Jacobs Engineering Group
- NTT (National Technology Transfer, Inc.)
- TLC (Technical Learning College)
- WaterLMS

### CONTACT

Please contact Marleigh Steinke at (406) 444-3434 or [operatorcertification@mt.gov](mailto:operatorcertification@mt.gov) for information regarding training providers or becoming an approved training provider.

### WEB SITE

<https://deq.mt.gov/water/assistance>

### Online Courses Available Through Montana Rural Water Systems

E-learning courses are approved for Continuing Education Credits (CECs) through Montana Dept. of Environmental Quality, Operator Certification Program.

NOTE: Credit is given for each course only once per CEC period.

Go to [www.mrws.org](http://www.mrws.org) and the training dropdown.

## CALL FOR ABSTRACTS

Submission deadline to be consider for presentation  
at 2027 MRWS Conference is October 16, 2026

[www.MRWS.org](http://www.MRWS.org)

- MW<sup>2</sup>OI -

The Montana Water and Wastewater Operators Initiative (MW<sup>2</sup>OI) is a collaborative effort between the Montana Department of Environmental Quality and the Department of Civil Engineering at Montana State University to provide training to the operators so critical to Montana's communities. The goal of MW<sup>2</sup>OI is to:

- Develop an operator training program - including Fall and Spring Water Schools- that is responsive to the training needs of operators in Montana
- Utilize operational expertise from across Montana and nationwide to provide targeted operator training.
- Coordinate with DEQ and other water and wastewater professional organizations to expand operator training opportunities.
- Develop flexible, resilient operator training program capable of both in-person and on-line program delivery that changes with the needs of Montana's operators.

To register for the Fall or Spring Water Schools please visit MSU's Academic and Technology website at <https://eu.montana.edu/continuinged/index.html> or call (406) 994-655 or email at [ato@montana.edu](mailto:ato@montana.edu)

## MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY

The Department of Environmental Quality's mission is to protect, sustain, and improve a clean and healthful environment to benefit present and future generations.

### MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY
