2021 MRWS Delegate Assembly Meeting & Board Elections

Dear Membership/Delegates,

At the 2021 annual MRWS Conference – Delegate Assembly Meeting, we will have 3 board positions open for re-election to serve a 3-year term. If you are interested in running for a board position, please provide a paragraph of your qualifications, experience, and what you will bring to the organization. Please submit your notice to MRWS by email. Of course, we will except a letter!

What is the delegate assembly meeting? The meeting is open to our membership and will address old and new business of the organization, upcoming rules/regulations, legislative concerns, financial status of the organization and approval of the Board budget. Remember...this is your organization that provides your system with technical assistance for both water and wastewater, source water protection, operator training and certification review – “Friends Helping Friends”.

Your statement will be posted on our webpage, so delegate voting members can review your mission statement before nominations are called for. As a reminder, no more than 2 members from a region can serve on the board. Currently, we have 2 board members from region 4 and those positions are not up for election. Regions are based on the system’s zip code; example – Region 1 – zip 590 & 591, Region 2 – zip 592, Region 3 – zip 593, Region 4 – 594, Region 5 – 595, Region 6 - 596, Region 7 – 597, Region 8 – 598 and Region 9 – 599.

Your submittal is due to the office by May 7, 2021.

If you have any questions, please contact the MRWS office.

Thanks,

John W. Camden

John W. Camden – Executive Director
