

Hello Conference Exhibitors!

Here is your MRWS 2021 Conference information! After such a roller coaster year last year, we are proceeding with an in-person event this year. The dates for the MRWS 41st Conference and Exhibition are May 19-21. If you registered to be an exhibitor for our 2020 Conference and did not request a refund, then you are still registered. If you are unsure of your registration status, please contact the office, and we can look it up. If you are already registered, we request that you fill out the enclosed registration form to update any information, including who will be attending the booth. We need to make sure we have name badges for everyone.

If COVID still has you locked down and you will not be able to attend in May, please let us know. Our accountant has informed us that we will not be able to roll funds over another year, so we will need to see if you would like a refund or donate those funds to Montana Rural Water.

The Heritage Inn has also informed us that all reservations have been canceled and refunded. If you had reservations for last year, you need to rebook with them. You can contact the Heritage Inn at 406-761-1900 or reservations@gfheritageinn.com.

**Remember, a fully completed registration form could get you
a free booth in 2022!!**
